Nippers are placed in age groups according to their date-of-birth. This means some children may initially be different Nippers groups to children in their class. Many children are permitted to join a different age group, to remain with their friends all season. **If this applies to you, please arrive at the first session of Nippers well in advance of starting time to organise this with volunteers.**

At Port Campbell Surf Life Saving Club, we welcome any child who is enrolled in Foundation (Prep) into our Under 7 Nippers group. In simple terms, if a Foundation student turns 6 after October, they can still participate in Nippers and the Under 7 dates listed above are not strictly followed. This affects competition and lifeguard training further down the track, but not participation in our inclusive Nippers program.
